## New LDLs

As a follow-up to the PL provided to New LDLs re NCCD Introduction this term, we will be running an **online session for New LDLs focusing on NCCD Moderation and preparing for Quality Assurance**. Once again, any new staff in your NCCD School teams are also welcome to attend. The PL presentation and recording will be shared with participants.

**The date of this PL will be the 10th May 2pm - 4 pm via VC**

## NCCD Briefing for Schools

At this stage, it is intended that a series of webinars will be created to support schools and provide further updates. They will cover topic areas such as: moderation, engaging in CECV quality assurance, census and data anomalies, and submitting your NCCD data set.

As we move into Term 2 and the lead up to **6 August 2021**, NCCD Key Consultants will be requesting schools to book in a time to conduct Quality Assurance. It is an expectation that all schools engage with staff to complete this process.

**Further information will be shared to support schools in preparing for the quality assurance process in Term 2.**

## USER B ACCREDITATION

Thank you to those that have already registered for User Level B Accreditation. The training programs can only accommodate 20 participants per program, so our first session is now full.

### **The first program will occur mid June.**

We will continue to create new cohort as groups of 20 as people register. *Expression of interest Link* -

Principal permission will be required. As soon as we have a large enough 2nd cohort a program will be organised.

## OLT COURSES

### **OLT courses are designed to support teaching and other educational professionals to respond to the additional learning needs of students.**

Each course provides an understanding of different additional needs, real life case studies, practical assessment ideas, and intervention strategies that can be put into practice immediately. Courses are accredited by VIT, and contribute to the PD hours requirements for progression through the Australian Professional Standards.

**If you are interested in participating in any of the below courses can you please advise your Learning Diversity Education Officer.** We strongly advise the participation of all school staff together as it enhances dialogue and learning.

**Dyslexia & Significant difficulties in reading**  
**Personalised Learning**  
**Understanding and supporting Behaviour**  
**Attachment and Trauma Theory**  
**Autism spectrum Disorder**  
**Speech, language and communication Needs**  
**Understanding attention deficit/hyperactivity disorder**
