Circular to principals and all school governors of Catholic schools in Victoria

Call for grant applications to fund major capital works

Main Points

- Schools are advised that applications for grants to fund major capital works under the Australian Government Capital Grants Program (CGP) are now open and will close at **midnight on Friday 24 March 2023**.
- Major capital works may include the construction of new facilities, and the refurbishment or demolition of existing facilities.
- The application form can be accessed via the [SmartyGrants portal](#).
- Links to the program may also be found on the CEVN website <https://cevn.cecv.catholic.edu.au> under *School Improvement* / [Capital Grants](#).
- Applications should be fully supported by a well-considered master plan developed by an architect.
- All schools in receipt of a grant allocation are required to make a local contribution of funds.
- For further information about the CGP, the [Procedures Manual](#) is available on the CEVN website under *School Improvement* / [Capital Grants](#).

Critical Dates

- Applications for grants are now open and will close at **midnight on Friday 24 March 2023**.

Actions Required

- Schools seeking grants to fund major capital works are asked to submit applications by **midnight on Friday 24 March 2023**.

Additional Information

- For schools interested in the Victorian Government grants program, applications will open later this year in line with the release of the State Budget. Further details will be announced via COMS once timelines are confirmed.
