

St Mary's Primary School, Donald

Classroom Teachers

Donald is a friendly and progressive community nestled on the banks of the Richardson River just off the Sunraysia Highway. We have two exciting opportunities for an experienced Teacher looking for rural teaching experience.

Since first opening its doors in 1885, St Mary's School has played an important role in the Donald community. Today this historic school is comprised of 38 students, with a dedicated education team consisting of 3 Teachers, 3 Teacher Assistants, and a Principal.

The focus of the school is providing a quality academic, social and spiritual education for each student. The curriculum caters for each students' individual learning needs and acknowledges their interests, abilities and talents. The school has spacious, attractive learning areas, curriculum areas are well resourced, and students have 1:1 access to iPads or Chromebooks.

This is a perfect opportunity for a Teacher wanting to experience a smaller and vibrant learning community with close knit ties to the community.
