Heart of life is offering the following two workshops which are available for educators across the diocese:

The Barefoot Mystic (Reflection event via Zoom)

A person places themselves in the presence of God. This is not a goal to be achieved; rather, it is a natural state where we find and embrace our true selves. The first thing one must understand is that 'God's first language is silence' (St John of the Cross). 'Everything else is a poor translation. In order to understand this language, we must learn to be silent and to rest in God.' (Thomas Keating).

This seminar is an invitation to do just that.

We always acknowledge Jesus as the Word made Flesh. But, Colossians 1 proclaims Jesus as the Image of the Invisible God. Religious images have always been part of spirituality. The 20th century saw moving images emerging on screens, cinemas, television, and new modes of streaming. How can we relate to these images as vision for our spiritual lives? Images, symbols, visual metaphors, Christ-figures? We appreciate Lectio Divina. Here we respond to Visio Divina.
