

# Creating a Culture of Child Safety

## DOBCEL - Professional Learning

**Purpose** To build knowledge and understanding of the 11 Victorian Child Safe Standards (MO 1359) and practices to support a culture of safety and wellbeing

### Learning Intentions

During this session, we will:

- develop a deeper understanding of the 11 Victorian Child Safe Standards (MO 1359)
- explore ways to support school communities in building and embedding a culture of child safety
- undertake a process of appreciative inquiry, focussing on practices currently in place across school communities
- examine in detail PROTECT - Identifying and Responding to All Forms of Abuse in Victorian Schools
- explore the Reportable Conduct Scheme
