Small Schools Forum

Small schools, big impact

Thursday 20th June

9:30am – 2:45 pm

Operating through all 7
regional Academy centres

What does the day entail?

- A professional development day specifically for Small School Leaders
- Hear from practicing small school principals about the great things happening in small schools and the opportunities available by being 'small'
- Networking opportunities with other small school principals. Come as a cluster
- Hear the latest research in the area of teacher retention in rural areas
- Explore the power, positives and potential of small schools.
