

Leadership Development opportunities available in early 2025

In 2025, a range of leadership development opportunities will be offered that focus on developing skills and competencies in the DOBCEL Strategy 2035 and the soon-to-be-shared Leadership Competency Framework.

Five of the programs offered commence in early 2025, with these programs requiring commitment in 2024 to attend.

The five programs requiring an expression of interest or commitment to attend need to be completed before the end of the 2024 school year are listed below. Further information on all programs can be sourced by clicking on the program title.

[Keynote presentation: Leading from the Middle – presented by Andy Hargreaves](#)
