INVITING STALL HOLDERS!

The Creator of all calls us to practice a new way of living, one that is “good, true and beautiful.” (LS 205) We commit to take action together because it is “urgent and necessary.” (LS 57)

On Saturday, November 6, 2021 the Ballarat Diocesan Social Justice Commission will host a Climate Change Forum in Ballarat. Through this forum, we celebrate the launch of the Bishops Conference Social Justice Statement 2021-2022 ‘Cry of the Earth, Cry of the Poor’. We are inviting you to share what you have for ecological justice.

Do you market a product that is about sustainable practices and clean living? Maybe you know a thing or two about how to reduce carbon emissions.

Do you have a particular skill in embracing nature and celebrating all things in the natural environment?

We want to show the community what people are doing and this is an opportunity for you to share!

It could be anything from how to make bees wax wraps, how to compost food scraps to how to recycle and make your own paper. Perhaps you have a wealth of gardening skills and can set up a stall to showcase them. Maybe you have information about how to save power and water. Get in touch with us and let us know what you've got! We would love to hear from you. **Email social.justice@ballarat.catholic.org.au**

The *Laudato Si* goals will guide our actions - how does your idea fit in?

This road will challenge us, and the ideas and support of our sisters and brothers in Christ will strengthen us along the way.

“We were made for love,” and deeper relationships will nourish us wherever the Holy Spirit leads. (LS 58) (<https://laudatosiactionplatform.org/>)
