To: The Diocesan Education Community

Principal Appointment: St Joseph's Primary School, Peshurst

It is with great pleasure that I write to advise that **Mr Darren Lloyd** has accepted the role of Principal at St Joseph's Primary School, Peshurst.

Darren is currently an integral part of the St Patrick's Primary School, Koroit community, where he holds the positions of Teacher, Religious Education Leader, Hands on Learning Coordinator and Deputy Principal. In his time with St Patrick's, Darren has proven himself to be a practical and effective leader.

The selection panel was very impressed with Darren's commitment to student wellbeing and protection, in addition to his experience as a committed Religious Education Leader and Deputy Principal.

Please join me in offering congratulations and your full support to Darren as the new Principal, commencing in January 2022.

Yours sincerely
