How do I sign into Culture Amp for the first time?

1. A Culture Amp link is available under general staff resources on the CEB SIMON home page, alternatively, you can click on www.cultureamp.com
2. Click on sign-in on the top right-hand side of page.

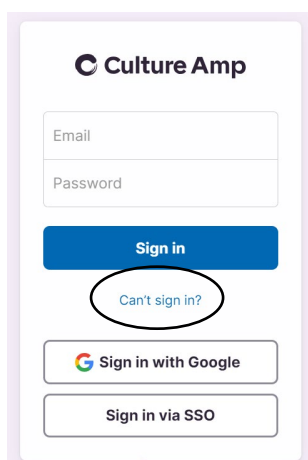

When you first log in, you should land on the home page.

If you do not land on the home page, click **Home** on the toolbar (top left-hand corner of the page).

The Home page provides an overview of the Culture Amp options available.

3. Click on can't sign in (under the blue sign-in button, pictured below).

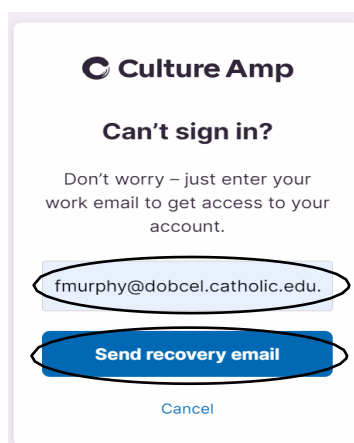

A screenshot of the Culture Amp sign-in page. It features the Culture Amp logo at the top. Below it are two input fields for "Email" and "Password". A blue "Sign in" button is positioned below the password field. Directly under the "Sign in" button is a link that says "Can't sign in?". Below this link are two more buttons: "Sign in with Google" (with the Google logo) and "Sign in via SSO".

4. Enter your work email address and click send recovery email (pictured below).
5. You will receive an email from ajones@ceob.edu.au via Culture Amp that will provide you with prompts to set a password.

At the bottom of the screen are two more buttons: "Sign in with Google" and "Sign in via SSO".

How do I add a goal?

Each year you will be required to set new goals. You can also add new goals at any time during the year.

1. To add a goal, access your goals via the tool bar at the top of the page, clicking on goals (new). To add a new goal click the blue box 'create goal' on the right hand side of the page.

2. A prompt to select goal type will appear – select either individual delivery goal or individual development goal.
3. Enter in goal details

Create individual delivery goal Draft

Goal details

Goal title

Goal description (optional)

B *I* U

Due date: 31 Dec 2025 **Owner:** Fiona Murphy **Visibility:** Private [Privacy information](#)

Due date – select the date of completion. This should be a date in the same year as you are setting the goal.

Owner – your name will automatically appear as the owner. You can attach other people as owners to your goal.

Visibility - This is where you select who can see the goal. You can select private, specific people or everyone.

Please note if you set the visibility to everyone your goal will be visible for everyone to see and available as an option for people to align their goals to under the aligned goals section.

Your manager will still see your goal when you select a goal to be private.

If you do not want other people (other than your manager) to see your goal please select private or the specific people setting.

4. Click on the plus sign 'Add key result' to add in the key results you will take to accomplish goal (pictured below)
5. Add in multiple key results for each goal, by clicking on the 'add key result' button for each item.
6. To save a draft of your goal, press save draft (pictured below to the right)
7. To complete your goal, press publish goal – your goal will then be visible with your manager/team leader

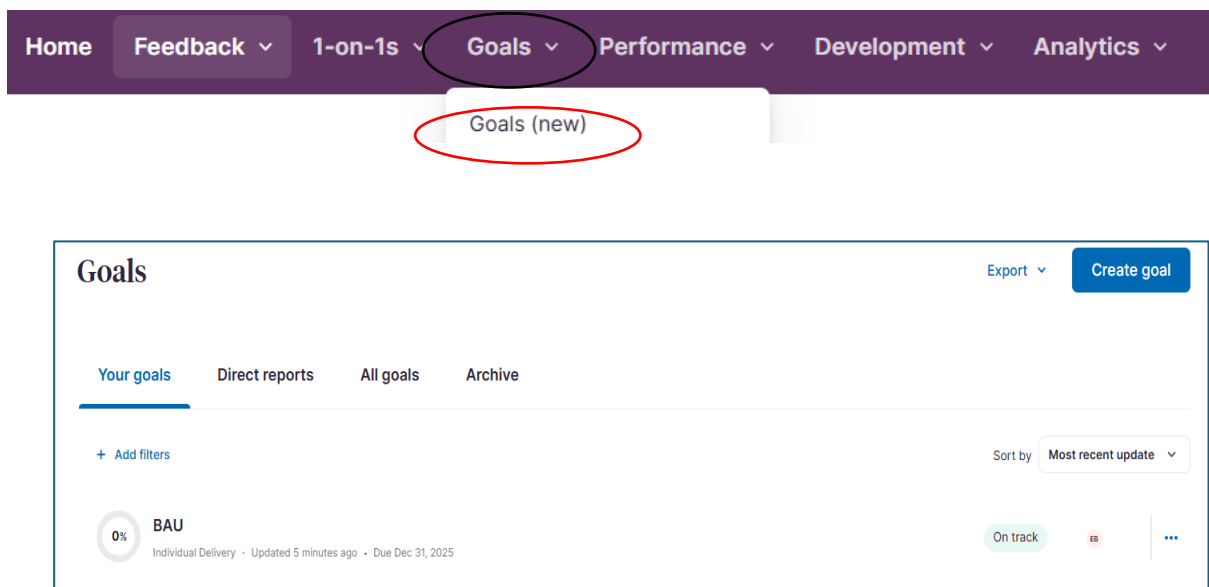

Key results

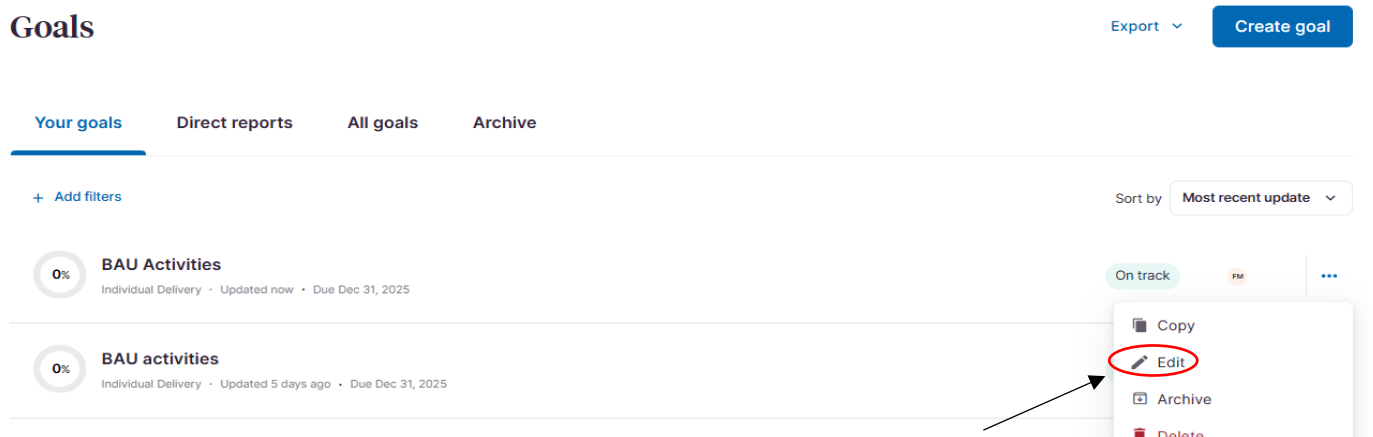

How do I edit a goal?

Your goals can be edited at any time during the year.

1. To edit your goals, access your goals via the tool bar at the top of the page, clicking on goals (new) will display a full screen containing all your goals.

How do I complete my self-reflection?

1. When the self-reflection template is assigned to your profile in Culture Amp, you will receive an email to advise you that you can complete your reflection.
2. Click on the complete self-reflection button, which will take you directly to your self-reflection or alternatively access the self-reflection via the home page by clicking on the home button at the top left-hand corner of the page.

If you are unable to find the email, you can log onto Culture Amp, and the link to accessing the self-reflection will be sitting under tasks on the home page for you to access.

Your template will look similar to the example below. The questions to respond to are listed in the main screen, and the pop-up box on the right-hand side contains tools to assist in responding to your self-reflection. The tools descriptions are detailed below.
