

## QR Code Check in vs Vaccination Evidence requirements

We understand that the SOG doesn't specify the difference between QR check-in and vaccination evidence. For clarity, CECV has developed this table to differentiate what is required.

QR code check-in required		Vaccination evidence required	
All visitors on school site (including contractors, diocesan education office staff and building and maintenance staff)	✓	Contractors, diocesan education office staff and building and maintenance staff undertaking work	✓
All parents who enter school buildings when on school site	✓	All parents who enter school buildings when on school site	✗ considered visitors
Staff	✗	Staff	✓
Students	✗	Students	✗ Except when returning after 7 days as a PCC
Parents who come onto school grounds for drop off or pick up but do not enter buildings.	✗	Parents who come onto school grounds for drop off or pick up but do not enter buildings.	✗ considered visitors and not captured by Direction
