

Rationale

Australian Catholic University in association with Catholic Education Ballarat is offering 12 sessions once a fortnight during the school term to provide an introduction to ECSI.

Focus

ECSI 101 offers an introduction to *Enhancing Catholic School Identity (ECSI)* for beginners.

Content

The content of the program includes a focus on the purpose of ECSI and its theological foundations grounded in the theology of Vatican II. Each session will build upon the next so it would be anticipated that all sessions are attended.

Participants / Target Audience

Those who are interested in and new to Enhancing Catholic School Identity, who haven't been to Leuven to study and who have no ECSI academic credentials. This includes teachers, parents, clergy, religious sisters and brothers, parishioners, School Advisory Council members, school leadership teams.
